Dr. C.E. Walker International Graduate Student Fellowship

PURPOSE: To honor Dr. Chuck Walker for his dedication to helping international students, and to provide financial assistance to an international graduate student enrolled in Grain Science & Industry.

ELIGIBILITY: Two awards for international graduate students. One award to a currently enrolled student, and one award to a new, incoming graduate student, in Grain Science & Industry at the M.S. or Ph.D. level. Funds will be awarded as a Graduate Research Assistantship in the research areas of: *baking science and technology; rheology applied to cereal grains or their products; or to cereal chemistry related to baking.* Support is renewable annually provided the student shows evidence of continued satisfactory progress; M.S. is limited to 24 months; Ph.D. is limited to 36 months.

Current students may apply by submitting: Current CV/Resume; letter of recommendation from the major professor and two additional letters of recommendation (one can be from a peer).
