June was a busy month at the IGP Institute as we hosted multiple courses and 135 participants from around the world who learned specific aspects of the grain supply chain in the United States.

June courses included the IGP–KSU Grain Procurement and Purchasing course with 32 participants, the IGP–KSU Grain Export and Supply Chain Expedition course with 10 participants, the U.S. Wheat Associates Flour Milling for Sub-Saharan Africa course with 16 Participants, the USSEC Aquaculture Nutrition Executive Program course with 32 participants, and the IGP–KSU Feed Manufacturing course with 35 participants.

Specific topics included grain procurement and supply chain logistics, flour milling and baking, and grain storage and feed manufacturing in the courses offered with our industry partners throughout the month.
June Trainings and Activities

- Conducted IGP–KSU Grain Procurement and Purchasing course: 32 participants
- Conducted the IGP–KSU Grain Export and Supply Chain Expedition course: 10 participants
- Conducted the U.S. Wheat Associates Flour Milling for Sub-Saharan Africa course: 16 Participants
- Conducted the USSEC Aquaculture Nutrition Executive Program course: 32 participants
- Conducted the IGP–KSU Feed Manufacturing course: 35 participants
- Conducted the AFIA/KSU 500: Fundamentals of Feed Manufacturing course on-line: 34 participants
- Conducted the AFIA/KSU 500 On-Demand Modules: 2 participants
- Presented Notes and Observations in International Commodity Markets. A weekly set of headline articles of events impacting the international grain and oilseed markets; distributed to faculty, key stakeholders, and an international audience, as well as being posted on the Ag Manager website. Learn more at https://www.grains.k-state.edu/igp/on-site-training/grain-marketing/
- Recap of the Weekly U.S. Grain and Oilseed Export Shipment and Sales. A weekly set of analysis and data recapping the recent and year to date export shipment and sales. Distributed internally to IGP and to key stakeholders, and an international audience, as well as being posted on the Ag Manager website.
- Hosted the USW Santiago, Chile, technical team in Manhattan, Kansas
- Presented on Grain Quality for Flour Milling for the IGP–KSU Grain Procurement and Purchasing course
- Met with USW and KWC staff to discuss a weed seed milling project
- Met with General Mills in Kansas City, Missouri
- Met with Buhler North America on training opportunities
- Traveled to Egypt to work on a grain storage project
- Presented on grain storage for the U.S. Wheat Sub-Saharan Africa Milling course
- Developed an on-line lecture for NCI’s Producing Quality Feed Through Effective Communication Online course
- Participated in a FGIS Information Webinar
- Participated in NCI’s Efficiency of Milling Corn Webinar
- Met with the World Bank for discussions on their grain storage projects in North Africa and South Asia
- Participated as a panelist for NCI’s Producing Quality Feed Through Effective Communication Online course
