Milling Science Club and Bakery Science Club are Taking Orders for the Holiday Sale

Milling Science Club's Holiday Sales are here. We are now taking orders. All products will only be available through pre-ordering.

There are a variety of items for purchase including beer bread mix, oatmeal cookie mix, pancake mix, as well as bags of whole wheat and white flour. There is also a Holiday Mix Pack available for purchase which comes in a decorative cloth bag and includes 1 Pancake Mix, 1 Oatmeal Cookie Mix and 2 Beer Bread Mixes.

Orders can be placed online here:

https://kstate.qualtrics.com/jfe/form/SV_0dYKP8s3KRI8hVA All orders must be received by noon on 11/12/2021. Orders may be picked up the week of December 6th, between 3–5 p.m., Monday through Friday, in the front lobby of Shellenberger Hall. If you need your order sooner than the scheduled pickup dates, please email **floursales@ksu.edu**.

Our products are also available at the Call Hall Dairy Bar, so if you're here for a football game, stop by Call Hall to load up on your favorites.

Animal Feed and Pet Food Research Report

Chad Paulk, associate professor in feed science, shared that the first ever Animal Feed and Pet Food Research Report is available online. The report contains a summary of recent research projects conducted by grain science faculty and students. <https://newprairiepress.org/kaesrr/vol7/iss10/>

Congratulations to Yanting Shen

Please join us in congratulating Yanting "Tina" Shen on the successful defense of her dissertation, *"Developing and characterizing functionally enhanced plant proteins for food applications."* Yanting will join ADM in Decatur, Illinois as a protein scientist later this year. Best wishes on her future endeavors.

Our Mission

The mission of the Department of Grain Science and Industry is to advance the global grain and plant-based food, feed, and bioproduct industries through scholarship, research, and outreach.
