

## **HUSEYIN DOGAN**

304 Shellenberg Hall  
1301 Mid-Campus Drive North  
Manhattan KS 66506  
Phone: 785-532-5321  
E-mail: hdogan@ksu.edu

### **QUALIFICATIONS SUMMARY**

Bilingual mechanical engineer with strong technical background and leadership skills. Thirty years of solid experiences in project management, design, and trouble shooting in U.S. and overseas. Strong oral and written communication skills.

### **PROFESSIONAL EXPERIENCE**

**Kansas State University, Department of Grain Science and Industry**      January 2012-Present  
*Instructor, Associate Engineer and Coordinator of Minors and College Credit Distance Courses*

**Kansas State University, Department of Grain Science and Industry**      July 2009-Jan 2012  
*Instructor and Associate Engineer*

**Kansas State University, Department of Grain Science and Industry**      Oct. 2006-July 2009  
*Associate Engineer*

#### **Teaching:**

- **GRSC 210**-CAD Flow Sheets (Since Fall'08 semester):
  - Introducing students to the basics of AutoCAD and its application to grain processing equipment and unit operations.
- **GRSC 555**-Cereal Food Plant Design & Construction (Since Fall'13 semester)
  - Developing the design consideration for the construction and operation of Grain Processing Facilities
- **GRSC 560**-Electricity and Its Control for Grain Processing (Since Spring'11 semester):
  - Teaching the industrial application of electric power management and distribution for the grain and feed industries.
- **GRSC 101 ZA**-Introduction to Grain Science and Industry (Since Spring'12 semester)

### **Stand Alone Minor Programs and Distance Education**

- To coordinate the Stand Alone Minors (SAMs) in the department of Grain Science and Industry including to deliver distance education courses; to develop and/or assist with the development of new on-line courses; to get courses set up in KSIS and KSOL-Canvas; to support faculty delivering online courses.

**RUTGERS the State University of NJ, Civil Eng. Department**

Jan. 2004-July 2006

*Research Engineer*

**ENTA Construction, Kocaeli, TURKEY**

Dec. 1998-Nov. 2003

*Construction Manager*

### **EDUCATION**

Bachelor of Science in Mechanical Engineering from Middle East Technical University Ankara, TURKEY

### **AFFILIATIONS and CERTIFICATES**

- IAOM
- Buhler Flowsheet Short Course Certification
- IAOM Flour Milling Certification
- Turkish Society of Mechanical Engineers

### **SKILLS AND INTERESTS**

- Computer Skills: Windows, MS Office (Word, Excel, Power Point),
- CAD/ Design Packages: AutoCAD2019.
- Instructional design of Online Courses
- International experiences in Food and Grain; Energy and Power; Commercial and Industrial facilities.
